01 / OUR FOUNDATION

More than service providers. A strategic technology partner.

Black Ace Technology Ltd is a Kampala-based ICT solutions company delivering high-impact, scalable, and secure digital solutions to businesses across Uganda and beyond.

We transform businesses through technology by providing enterprise-grade systems, reliable infrastructure, and growth-driven digital strategies. Our approach combines deep technical expertise with business intelligence to deliver measurable results.

**Focused on
efficiency,
growth, and
long-term
success.**

VISION

To become a dominant ICT solutions provider in Africa, driving digital transformation and business innovation.

MISSION

To deliver powerful, reliable, and scalable ICT solutions that enable organizations to operate efficiently, grow sustainably, and compete globally.

CORE VALUES

01

Excellence

Deliver beyond expectations.

02

Innovation

Continuously evolve with technology.

03

Integrity

Operate with transparency and accountability.

04

Customer focus

Prioritize client success.

05

Efficiency

Optimize systems for performance and results.

02 / WHAT WE DELIVER

Six core capabilities. One strategic technology partner.

Web & Software Development

01

High-performance websites, e-commerce platforms, custom business systems, and mobile and web applications.

Cloud Hosting & Email

02

Shared, VPS, and dedicated hosting, corporate email, domain management, and server optimization.

Managed IT Services

03

Proactive monitoring, help desk support, preventive maintenance, consulting, and advisory.

Network & Infrastructure

04

Network design, server installation, firewalls, cybersecurity, and complete office IT environments.

Data & Security Solutions

05

Backup, recovery, disaster planning, cybersecurity audits, and risk management.

Digital Marketing & Branding

06

SEO, website optimization, social media strategy, branding, and graphic design.

03 / DIGITAL OPERATIONS

Build. Host. Support.

A connected technology stack designed around the way your organization works and grows.
